5 Old Mill Road, Great Neck, NY 11023

GROWING TOGETHER

Vicki Perler, Director
January 22, 2021

"We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America." Preamble to the United States Constitution

Dear Families,

This past week's inauguration was definitely an historic moment for our country and its new president and vice president. It was an inauguration, like so many other celebrated occasions this year, that was adjusted to meet the needs of the coronavirus pandemic. One of the highlights of this year's significant changes is that we welcomed a woman of color as our new vice president.

We began this week remembering the legacy of Dr. Martin Luther King. For those of us who witnessed or played a part during the tumultuous times of the 1960s, Dr. Martin Luther King's words, from his famous 1963 "I Have a Dream" speech, rang out loud and clear during this year's inauguration. Dr. King dreamed of a time when his four little children could one day live in a nation where they would not be judged by the color of their skin, but by the content of their character. With great emotion, Vice President Kamala Harris said, "Even in dark times, we not only dream, we do. We not only see what has been, we

see what can be. We shoot for the moon, and then we plant our flag on it. We are bold, fearless and ambitious. We are undaunted, in our belief that we shall overcome, that we will rise up. This is American aspiration.”

Yearning for a more perfect world for our children, it is our birthright to teach our children what freedom means. By our own example, it is critical that we show our youngest children the importance of voting, of celebrating democracy, and what it truly means to be a citizen of The United States of America. Children learn best in an environment that fosters tolerance and diversity. Humans yearn for increased harmony, unity, and partnership with others. Judaism places an enormous and unique emphasis on our role and responsibility to be partners with others in repairing what has been broken in the world, and on our commitment to act now, not later.

Getting along with people who are different from us is an important value that we teach in our school. From sharing, taking turns, and listening to each other’s ideas, to classroom rules to acts of kindness and doing mitzvot, we ask our children and families to participate in *Tikkun Olam* – the healing of our world. At this point, it no longer matters which candidate we preferred. During this historic month, we begin anew, and each one of us can feel a sense of pride that freedom and democracy has, once again, prevailed.

Shabbat Shalom
Vicki

HAPPENINGS & DATES TO REMEMBER

Thursday, Jan. 28

Fri & Sat, Feb. 12 & 13

Fri-Mon, Feb. 12-19

Monday, Feb. 15

Monday, Feb. 22

Friday, Feb. 26

Tu B'Shevat

Rosh Chodesh Adar

Presidents’ Week Recess – School Closed

George Washington’s Birthday Observed - School Closed

School Reopens

Purim

CONNECTIONS

Registration for the Summer Program – We are offering programs for children who are two, three, and four years-old. We are excited to offer the opportunity for our students to continue their experiences at Temple Beth-El during the summer. Stress-free transitions are important for young children, and our Summer Program is a wonderful way to provide consistency and a seamless flow of the year. **Registration will begin in February.** If you have any questions, please don’t hesitate to call or email.

PTC Challah Fundraising Program - We will be offering an opportunity for you to order a weekly challah dough to take home on Thursdays. This is a fun and educational way to enhance your Shabbat experiences with your children by making a fresh challah at home every week. **Samples were provided yesterday, and we have fabulous feedback.** More details will be provided next week.

Are You Looking for New Year's Resolutions for 2021? Here are some suggestions from the American Academy of Pediatrics:

1. Provide outdoor play time for your child whenever possible. Exercise and outdoor play – even in the wintertime – decreases the growing obesity issue with young children.
2. Provide a nurturing environment in which children feel loved, safe and valued.
3. Good nutrition makes for a healthy child. Be sure that your child eats regularly and has a variety of nutritious foods.
4. Buckle your child's seatbelt at all times. Help avoid the leading cause of children's disabilities and death at all times.
5. Monitor what your child sees in the media, including television, movies and music. Children are affected by what they see and hear.
6. Read to your child every day, beginning in infancy, to enhance early brain development.
7. Prevent violence by setting good examples for your child. Remember that words can hurt too.
8. Give your home a safety check. Install smoke and carbon monoxide detectors, store poisonous substances out of your child's reach, and know how to access emergency services.

Health and Safety Precautions During the Pandemic - The health and safety procedures in the ECEC are very specific this year. Please wear your mask, stay physically distant from each other, and never bring your child to school if s/he appears ill. We will need to send your child home if s/he exhibits symptoms. **All children in the school MUST be symptom free.** Your cooperation is essential and very much appreciated.

Revised Travel Requirements – Please continue to be safe. We have been blessed with continuous in-person education for our children, and we want to continue that way until June! It is highly recommended that you do not travel unless it is absolutely necessary. If you must travel, it is imperative that you follow all travel-related quarantine protocols set by New York State. Any traveler coming into NYS (who traveled outside NY, PA, NJ, CT, MA or VT for more than 24 hours must quarantine for 14 days UNLESS they receive a negative Covid test before departure and then again on day four of their return. A 14-day quarantine is mandatory for a return to school unless two negative tests results are provided to the school in writing.

For more information on the quarantine requirements and other procedures for travelers, please see the NYS Department of Health guidance found at the following link https://coronavirus.health.ny.gov/system/files/documents/2020/11/interm_guidance_travel_advisory.pdf

Dressing for the Outdoors – Please be attentive to the weather every day to ensure that your child is appropriately dressed for outdoor play. Our goal in all weather is to keep the children warm, dry and comfortable. If they are not dressed properly, the class is unable to take advantage of the open air and the many interesting outdoor spaces around the temple building. Boots, raincoats, an extra pair of sneakers, two complete changes of clothing (to be left in school), sweaters, hats, mittens, and a warm jacket are necessary. As the weather becomes colder, we will be outdoors when the temperature is above 30 degrees. Please label all children's clothing! Thank you.

Yellow Zone Classification for the ECEC - As you know, Great Neck has now been classified as a "Yellow Zone" by Governor Cuomo. Our ECEC is considered a childcare program, licensed by the Office of Children and Family Services. According to the guidelines, standards and expectations for childcare programs are unaffected by the designation of a red, orange, or yellow zone, (except if the childcare program is housed within a school). Our goal is to remain open, and we will succeed only if all of us are consistently and persistently vigilant in our personal lives away from school. Thank you for your extraordinary efforts.

If, unfortunately, we need to quarantine a class at home for 14 days, every teacher is ready to begin remote learning the very next day. The teachers have prepared curricula and experiences for this period of time, and the teachers will instruct you to prepare a box of supplies to keep on hand at home, just in case. Hopefully, we will not need to use this box. Thank you for your continued cooperation and support.

Parent Teacher Council – The PTC is comprised of parents, teachers and lay leaders from the Temple and school community who work together to make decisions and provide ongoing support for the school. Our PTC Co-Chairs for the 2020-2021 school year are Dalia Hagooli, Marianna Costa, and Samantha Talasazain. Thank you for your hard work and dedication to our school. If you would like to be a part of our exciting Parent Teacher Council, please feel free to contact Dalia (dharoooni@aol.com), Marianna (mari.mostovaya@yahoo.com) or Sam (stalis625@gmail.com) at any time. We are grateful to all of you for your participation.

Inclement Weather Arrival and Dismissal Procedures – Please arrive on time and sit in your car until the teacher notifies you. Your child’s teacher will text you to inform you that it is your turn for arrival. **By intentionally following this staggered procedure, we have created an organized and efficient arrival and pick-up.** Thank you, parents, for your help and cooperation. Please note that during these extreme inclement weather days, the designated outdoor drop-off and pick-up location for the Rabbi’s Garden Play Area is outside the Temple’s main entrance. The designated outdoor drop-off and pick-up location for the two-year-old classes is the Rudin Garden entrance.

Shabbat Sing – On Friday, we join together to experience a beautiful sing-along with me. It is the highlight of my week - every week. I feel very blessed to be able to teach your children beautiful Shabbat melodies. Our Shabbat Sing experiences will be different this year as they will be outdoors and physically distant. We look forward to creating joyous Shabbat celebrations every week.

Hot Lunch Program - The foods children eat and lifestyle habits they learn have a lasting effect on their health. Due to the overwhelming interest of our families to provide nutritious meals for lunch, we offer meat and dairy lunches for all students. As you know, one of the values of our school is to maintain the highest quality of care whenever possible. This value should also be reflected in the foods we eat.

Lunch Menu:

Monday – Pasta, meat sauce, vegetables

Tuesday – Baked chicken fingers and vegetables

Wednesday Pizza and Israeli salad

Thursday- Grilled cheese and vegetables - NEW

Friday – Baked fish, rice, vegetables

This year, the lunch is provided in individual packages for each child. We also have whole wheat bread and soy butter available to children who have not yet acquired the taste for these new foods. We hope that over time, children will discover and enjoy a variety of foods.

Important ECEC Telephone Information – If you have an important message and cannot reach me or Nancy on the telephone during the day, please ask someone in the main office to find us and relay the message. We hope this system will help you if you are unable to talk to us in person.

Contact Information - Please call, email or see me if you have anything you would like to discuss. My email address is vperler@tbegreatneck.org. This is usually the best way to reach me.
